## Email:

Dear Mrs. Lovelace,

We are pleased to inform you that your call for papers, "The First AI Programmer," has been selected for presentation at our Supercool Conference in London on September 8, 2025.

Travel and accommodation expenses will be covered.

We look forward to your poetical insights into the world of AI programming!

Yours sincerely,

John Smith

Supercool Conference Org Team

## Email:

Dear Mr. Orwell,

We are pleased to inform you that your call for papers, "2084 - Vision of the AI Tyranny," has been selected for presentation at our Supercool Conference in London on September 8, 2025.

Travel and accommodation expenses will be covered.

Be prepared for a thought-provoking discussion on the future of AI and its implications on society.

We look forward to your presentation!

Yours sincerely,

John Smith

Supercool Conference Org Team

## Email:

Dear Mr. Potter,

We are pleased to inform you that your call for papers, "Generate Spells with AI," has been selected for presentation at our Supercool Conference in London on September 8, 2025.

Be prepared for a magical experience as we cover your travel and accommodation expenses.

We look forward to your enchanting presentation!

Yours sincerely,

John Smith

Supercool Conference Org Team

## Email:

I will write an email to Max Kozlov.

Should I use a professional tone or a friendly tone?

Lined writing area with horizontal lines.

# Book vs Code

- No need for developers
- Independent of the model

# Book vs no-code

- Much higher portability
- Reliability and consistency across different environments

# Book vs Big systems

- Open-source
- Community-driven

# Thanks for your attention!

**Pavol Hejný | CTO**
