A group of people are working in a modern office at night. In the foreground, three people (two men and one woman) are gathered around a desk, looking at a laptop. The man on the left is resting his chin on his hand, looking intently at the screen. The woman on the right is also looking at the screen, with her hand near her chin. A man stands behind them, pointing at the laptop. The background is a large, open-plan office space with many other people working at desks. Large windows in the background offer a view of a city skyline at night, with a bridge visible in the distance. The overall atmosphere is one of focused productivity in a high-tech environment.

**48 hodin
a máme produkt.**

A dimly lit office interior with large windows overlooking a city skyline. Five business professionals are seated around a long wooden conference table. From left to right: a man in a suit with his hand on his chin, a woman in a blazer looking towards the center, a man in a suit with his hand on his chin, a woman with glasses looking towards the center, and a man in a suit seen from the side. The table is cluttered with papers, a laptop, a glass of water, and coffee cups. A potted plant is visible on the left side of the frame.
